ANNUAL CONFERENCE: COVID PROTOCOL ANNOUNCEMENT

The COVID Protocol for Annual Conference 2022, announced 5/31/2022.

For the full details of the press release, go to: <https://us4.campaign-archive.com/?u=fe053219fdb661c00183423ef&id=b3ac08554f>

The basic plan includes:

- *Annual Conference attendees will be expected to wear N95 or KN95 masks at all times in the convention center and meeting rooms at the Hilton except when eating and drinking.*
- *Meal events will take place, but limits will be placed on numbers to allow for a bit more social distancing, and planners will be asked to present the program first.*
- *Small red heart stickers will be available that can be applied to name badges by those who, for any reason, prefer to maintain at least 3 feet of distance from others. This will allow everyone to know how to approach and greet one another.*
- *Attendees are not required to be vaccinated, but all are encouraged to be fully vaccinated before attending.*
- *All attendees are encouraged to test for COVID before coming to AC; if you or anyone in your household tests positive within 5 days prior to Annual Conference, please stay home! Your registration fee will be refunded.*
- *If you feel ill while at conference, please get tested and isolate from conference activities until you have a test result to guide your next steps. If you test positive, please do not return to in-person activities.*
